HOW TO FIND US

Driving From Sunshine Coast Airport (Maroochydore / Mudjimba)

Leaving the airport you follow the signs to the Noosa/Noosa Heads.

Driving up the coast road
(approximately 35 minutes).

Leaving the airport turn left and follow the David Low Way to Noosa Heads.

When you arrive at Noosa Junction go through the main road (Sunshine Beach Road) and at the roundabout turn right which takes you up Noosa Hill and then down towards Hastings Street. At the roundabout at the bottom of the hill turn left along Noosa Parade until you reach the Weyba Road roundabout. Turn right following the signs to Gympie Terrace and the Noosa River. At the next roundabout (50 metres along) turn left along Gympie Terrace with the river on your right and James Street is the first on the left (on one corner is Madissons Restaurant and on the other corner is Vanilla Cafe). We are located about 75 metres down on your right.

Driving up the Sunshine Motorway
(approximately 25 minutes).

Leaving the airport turn right and follow the David Low Way to the Sunshine Motorway on-ramp where you turn left, heading south, for approximately 100 metres and then you need to use the U-turn / hook turn facility which will turn you around to head north to Noosa.

At the end of the Sunshine Motorway, approximately 15 - 20 minutes (go straight ahead at all roundabouts), go straight ahead onto Walter Hay Drive (following the signs to Noosa Heads) and follow for a further 5 minutes (go straight ahead at the next two roundabouts) then when approaching the next roundabout get into the right-hand lane. Now turn right onto Eenie Creek Road (2 lane bypass road). Follow this road for about 2 minutes until you come to another roundabout where you veer left into Reef Street (back to single lane). At the next roundabout (1 minute drive) move into the left lane because you want to go straight ahead into Weyba Road (you should pass the BP Service Station on your left). 100 metres up the road turn left into Elizabeth Street then at the next roundabout (100 metres) turn right into James Street. Montpellier is about 70 metres up the road on your left.
